DESCRIPTION OF TRADE MARK:

The basic trademark can be described as an outline of the State of Wyoming including: Yellowstone in the top left corner, a horizontal checkered map type distance scale the full width of the state up from the bottom of the state about one third of the total height; a vertical North arrow approximately one third towards the center from the left edge; the letters "W", "L", and "C" respectively starting just under the southern border of Yellowstone and progressing down and to the right toward the intersection of the distance scale and North arrow; the words "Since 1948" centered in the bottom right corner and bordered by the outline of the state on the bottom and right, the distance scale above, and the North arrow on the left. This trademark typically has a drop shadow on the bottom and right side which may or may not be incorporated depending on need and use. Also the text portions, or any portions of the text, may or may not be used depending on need and use. The State of Wyoming with Yellowstone outline, North arrow and checker board map scale or derivations thereof are minimum components of this trademark. Typical colors are white for the Yellowstone area; black for the text, borders, and outline of the North arrow; grey for border trim; red for the internal portion of the North arrow; red and white for the checker boarding of the map type distance scale; inset with a blue back ground. The colors may vary from time to time or can be black, grey and white only.
