APPLICATION FOR REGISTRATION OF A TRADE MARK

HON. SECRETARY OF STATE,
STATE OF NEW JERSEY,
Cheyenne, Wyoming.

Sir:

BE IT KNOWN that SCHERING & GLATZ, INC., a corporation duly organized and existing under the laws of the State of New Jersey, located and doing business in Bloomfield, in the County of Essex and that State of New Jersey, has adopted for its use a trade mark of which the following is a description.

The trade mark consists of the term ATOPHAN.

The following is a specimen of said trade mark, to-wit:

ATOPHAN
TRADE MARK REG. U. S. PAT. OFFICE

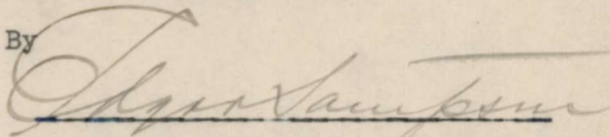

The class and particular description of goods on which the said trade mark has been and is intended to be appropriated is uric acid expellant and pain and inflammation alleviator.

The said trade mark has been continuously used in the business of said corporation since about the 19th day of July, 1911.

The trade mark is usually applied or affixed to the goods by being printed or otherwise produced upon labels which are attached to the packages containing the goods, and in other ways customary in the trade.

SCHERING & GLATZ, INC.,

By

Vice-President
