ACCELERATION TO THIRD READING (ONE DAY SAVING)

- 26-2 (a) The majority floor leader in consultation with the minority floor leader may endorse a list of bills which have passed the Committee of the Whole, are unlikely to be further amended and are likely to pass the House, to be accelerated to Third Reading on the day the bills are considered on Second Reading. The Chief Clerk shall show those bills on the Second Reading calendar with an "X" before the bill number or other designator determined by the Chief Clerk.
- (b) At the conclusion of Second Reading, the majority floor leader shall move that the rules be suspended with respect to those bills designated under paragraph (a) of this rule and that those bills be immediately considered on Third Reading and final passage.
- (c) If any legislator objects to the inclusion of a bill on the list for

acceleration to Third Reading prior to the vote on a motion under paragraph (b) of this rule, it shall be removed.

- (d) A motion made under paragraph (b) of this rule requires the same affirmative vote as is necessary to suspend the rules. If the motion passes, the House shall immediately proceed to Third Reading and final passage on each bill on the list with a separate roll call vote for each bill. If the motion fails, the bills shall be placed on Third Reading on the next legislative day.

No debate shall be had on the Consent List, but any member may remove any bill from the Consent List upon request before the vote. COMMUNICATION FROM THE GOVERNOR

February 21, 1991

The Honorable Diemer True
President of the Senate
Wyoming State Legislature
State Capitol Building
Cheyenne, WY 82002

Dear Senator True:

I would appreciate your favorable consideration in making a change on my initial appointment list submitted to you on February 18, 1991. The name I would like to change is:

LIVESTOCK BOARD

Carl Jensen (D) of Wheatland to Daryl Tiltrum (R) of Wheatland.

It was called to my attention that we need a woolgrower instead of a cattle producer in this particular position on the board. Mr. Jensen, while exceptionally well qualified, is a cattle producer and not a woolgrower. Mr. Tiltrum is highly recommended from the Wyoming Woolgrowers Association and would also be a fine addition.

I am sorry for any inconvenience and would appreciate your favorable consideration of this appointment.

With best regards, I am

Very truly yours,

Mike Sullivan
