

## **Licensing/Operations Report – January 2021**

**October 1, 2020 – December 31, 2020**

**By: Lisa Hastings, Licensing Supervisor**

The licensing section has been very busy this last quarter with renewals, graduation season, and normal applications which continue to roll in. Another year of renewals has been completed! Whew! This year we offered an optional wallet card and were quite surprised by the overwhelming response. We learned some valuable lessons during this renewal period and will continue to make improvements for next renewals. At a glance, it looks like we renewed 13,538 license/certificates during this renewal period. I will provide a more in depth renewal report with numbers on the next quarterly report.
