AN ACT relating to Auditor's Certificate to State Board of Equalization and authorizing the State Board of Equalization to fix levies for State purposes, including deficiencies, and repealing Chapter 93, Session Laws of Wyoming, 1921.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WYOMING:

Section 1. On or before the fifteenth day of July of each year, the State Auditor shall certify to the State Board of Equalization as follows: The amount of all funds necessary to meet the appropriations of the last preceding Legislature for the fiscal year, the amount of appropriation made by the State Auditor in accordance with legal requirements, the amount required to meet the interest on the bonded State debt, the amount required for redemption of the bonded debt, all special and fixed levies authorized by law and the deficiencies, if any exist.

Section 2. The State Board of Equalization shall, for State purposes for each fiscal year, determine and fix the rate of State tax necessary to raise a sufficient amount to meet the requirements for each fiscal year, as the same may be determined from the State Auditor's Certificate provided for in Section 1 of this Act. Such tax rate so fixed shall be levied and assessed upon each and every dollar of taxable property in the State.

Section 3. In addition to the levy provided for State purposes in Section 2 of this Act, the State Board of Equalization shall each year, beginning with the year 1927, determine and fix the rate

of State tax, if any, necessary to raise a sufficient amount to meet and pay off any deficiencies existing, or estimated to exist, from the then current year as the same may be determined from the certificate of the State Auditor provided for in Section 1 of this Act. Such tax so fixed shall be levied and assessed upon each and every dollar of the taxable property in the State of Wyoming. Said tax shall be levied, collected and paid to the State Treasurer in the manner provided by law for the levying, collecting and payment of other state taxes. Said tax when so collected and paid into the State Treasury shall constitute a fund to be used for the purpose of meeting and paying off any state deficiencies for the particular year as shown by the certificate of the State Auditor as herein provided.

Section 4. Until the existing deficiency in the general fund of the State of Wyoming, whether represented by outstanding warrants or otherwise, shall have been paid off and cancelled, the State Board of Equalization shall each year, beginning with the year 1927, at the time of making the annual tax levy for State purposes, cause to be levied upon each and every dollar of the taxable property in the State of Wyoming, a tax of one-fourth of one mill. Said tax shall be levied, collected and paid to the State Treasurer in the manner provided by law for the levying, collecting and payment of other State taxes. Said tax when so collected and paid into the State Treasury shall constitute a fund to be used exclusively for the purpose of taking up and paying off the present existing State deficiency.

Section 5. Chapter 93, Session Laws of Wyoming, 1921, and all Acts or parts of Acts in conflict with this Act are hereby repealed.

Section 6. This Act shall take effect and be in force from and after its passage.
