Application for Registration of Trademark or Service Mark

1. Provide a written description of the trademark or service mark. Your written description must include all words, names, symbols, devices and designs which the applicant wishes to be included within the mark. You may attach a separate sheet if needed; however, **you must describe the mark completely**:

See Attached Sheet

2. Name of applicant:

Control Systems Inc.

3. Business address of applicant:

51 Industrial Blvd. Pensacola, FL 32503

4. Mailing address of applicant:

1354 S. Parkside Pl., Ontario, CA 91761

5. Applicant is (check only one; this selection should correspond to the information listed in item #2):

☐

individual;

☒

corporation;

☐

general partnership;

☐

limited partnership;

☐

limited liability company;

☐

statutory trust;

☐

unincorporated association;

☐

statutory foundation;

☐

other

6. a. If the applicant is a corporation, limited partnership, limited liability company, statutory trust or statutory foundation, list:

The state of incorporation or organization: Florida

The date incorporated or organized: 11/08/2021

(Date – mm/dd/yyyy)

b. If the applicant is a general partnership or limited partnership, list the names of the general partners or partners:

c. If the applicant is a limited liability company, statutory trust or statutory foundation, list the names of the managers, members, trustees, or directors:

d. If the applicant is "other," explain:

7. Provide the class number **and** title of the goods or services (see attachment). Use only one class code per registration:

Class number: 103

Title: Construction and Repair

8. Provide a brief description of the goods or services within the class (i.e., what your product is, or what service you provide):

See Attached Sheet

9. List the mode or manner in which the mark is used to identify the goods or services (e.g.: goods - labels on cans, bags, wrappers, etc.; tags, nameplates affixed directly to product; services - labels on laundry bags, advertising, window signs, etc.):

See Attached Sheet

10. An application to register the mark or portions or a composite has been filed by the applicant or a predecessor in interest in the U.S. Patent and Trademark office: Yes ☒ No ☐

If yes, provide filing date, serial number of each application, the status and, if any application was finally refused registration or has not otherwise resulted in registration, the reasons therefore:

06/29/2022, 97481382, pending

11. Date of first use by applicant or predecessor (*the mark must be in use before it can be registered*):

a. Anywhere:

11/08/2021

(Date - mm/dd/yyyy)

b. In this state:

11/08/2021

(Date - mm/dd/yyyy)

12. One photocopy or facsimile of the mark as it is actually used must accompany this application.

13. The applicant is the owner of the mark. The mark is in use and to the knowledge of the person verifying this application, no other person has registered, either federally or in this state, or has the right to use such mark either in the identical form thereof or in such near resemblance as to be likely, when applied to the goods or services of such other person, to cause confusion or to cause mistake or to deceive.

Service mark Name

Control Systems

Description of Logo

Beginning on the left, a circle with a smaller filled-in circle, is anchored at the bottom right of the larger circle. The inner filled-in circle has the words CONTROL SYSTEMS INC written in the middle of the circle. Above the name towards the top of the inner circle, there is a slice that angles upward through the circle beginning on the left side but does not cut all the way through the circle. Below the name towards the bottom of the inner circle, there is a slice that angles upwards through the circle beginning on the left side but does not cut all the way through the circle and is slightly shorter than the one at the top. Next to the circle, there are three large capital letters CSI. Under the three large letters, there are smaller words, Fire, Sprinkler, Security, Service.

Description of Services Provided

Services for the following: fire alarm systems, fire sprinkler systems, suppression systems, fire extinguishers, emergency exit lights, special hazards, kitchen hood, burglar alarm, access control, surveillance systems, testing, repair, security systems, access control, central station monitoring, inspections, testing and maintenance.

Manner in which mark is used

Marketing materials, documents, signs, logo, business cards, website, business vehicles, uniforms, shirts, hats, jackets, other articles of clothing, etc.
