This office is a division of the Department of Workforce Services, and is located in Rock Springs, WY. It is the responsibility of this office to administer the State Statutes pertaining to the health and safety of the miners, and to recommend legislative changes in such regulations when needed.

Pursuant to these statutes, each mining operation in the State is inspected for compliance several times each year, and all complaints, serious accidents, and fatalities are investigated.

State Statutes also created the Mining Council, composed of 10 members and the State Inspector of Mines. The membership is composed of 5 management and 5 hourly representatives from various types of mining operations. The members of the Council act in conjunction with the State Inspector of Mines to improve the health and safety in the mines of this state.

The State Mining Council is also responsible for the certification of underground and surface mine foreman and mine examiners as required by State Statutes. The members of the Mining Council are:

2021 - EXECUTIVE SUMMARY

Fatalities

On July 21, 2021, Jeffrey Wendland, an employee of Arch Resources, Black Thunder Mine, was working to remove a section of the boom on the FMC Link-Belt HC258 Lattice Boom Crane, Company #374, located at the 6 and 1/2 North Pit, #12 Dragline location. The boom was not properly supported against motion, and when the second of the two bottom pins were removed, the crane boom hinged and dropped, fatally injuring Mr. Wendland.
