

TRAINING/TECHNICAL ASSISTANCE

UW ECHO in Assistive Technology

Mondays, weekly 3:15 - 4:30 p.m. MST

The University of Wyoming ECHO in Assistive Technology (UW ECHO in AT) provides training and the sharing of best practices for educators and service providers to consider, implement and evaluate the use of assistive technology to improve outcomes for students.

March 2018 UW ECHO in AT Sessions

March 5 - Accessible Educational Materials (AEM) with Felicia Arce, M.Ed., ATP

March 12 - No Session Scheduled

March 19 - iCreate: Creating Low-Tech AT Solutions, Part 1 with Therese Willkomm, Ph.D., ATP, Clinical Associate Professor at the University of New Hampshire

March 26 - iCreate: Creating Low-Tech AT Solutions, Part 2 with Therese Willkomm, Ph.D., ATP, Clinical Associate Professor at the University of New Hampshire

To join a session and view the agenda, please visit the UW ECHO in AT website:

<http://www.uwyo.edu/wind/echo/at/>

To bring a case before the UW ECHO in AT members, please visit the Case Presentation Materials website for guidance and forms: <http://www.uwyo.edu/wind/echo/resources.html>

Weekly WATR Open Labs

**Wednesdays and Thursdays
2 - 4 p.m. in the WATR Lab, Room 151
College of Health Sciences
Intersection of 9th and Clark Streets, Laramie**

By visiting our Open Lab, you can have hands-on demonstrations with equipment WATR offers through our short-term (6 week) loan program as well as find out what items are available for sale in our reuse program.

March 2018 Open Lab Themes

March 7 & 8: Writing Supports: Learn about the ECHO Smartpen to aid in notetaking or the Writing Bird to aid an individual in writing with limited hand control.

March 14 & 15: Augmentative and Alternative Communication (AAC) Devices: Learn about WATR's AAC devices and apps that are available for loan.

March 21 & 22: Low Tech Assistive Technology: Find out what low tech tools are available to use in your daily life at work and home.

March 28 & 29: AEM Services: What does Accessible Educational Materials (AEM) offer students who have print disabilities?

Note: Themes are used to feature technology. Attendees can request a demonstration on any type of technology during Open Lab or by special appointment outside of Open Lab hours. To view the weekly schedule or to find the link you will need to join Open Lab through Zoom Video Conferencing, visit the WATR Open Lab website:

http://www.uwyo.edu/wind/watr/open_lab.html
