RE: WYPDES (Wyoming Pollutant Discharge Elimination System) Permit Renewal for
WY0026719, Government 13 Lease

Dear Mr. Rich:

The above referenced discharge permit is scheduled to expire on September 30, 2006. To renew the permit, you must apply for renewal by providing the information required below and return this form to the Water Quality Division, Herschler Building 4 West, Cheyenne, WY, 82002. Please ensure that the information above is correct and make any corrections where applicable.

Please check the paragraph below which pertains to this facility.

☒ The quality and quantity of the above referenced discharge HAS NOT changed significantly since the issuance of the discharge permit and it is requested that the permit be renewed before the September 30, 2006 expiration date.

☐ The quality and quantity of the above referenced discharge HAS changed significantly since the issuance of the discharge permit and it is requested that the permit be renewed before the September 30, 2006 expiration date reflecting the changes in the discharge quality and/or quantity as described in the attached summary.

We must receive this letter acknowledging your desire to renew the permit by no later than April 15, 2006 for the permit to be renewed and remain active. If this letter is not received, the referenced permit will expire and the facility will no longer be permitted to discharge wastewater.

Please attach to this renewal letter, a list of each discharge point, and locations of each discharge point (legal description, and/or latitude, and longitude).
