

this section.

23-1-302. Powers and duties.

(j) For the purpose of attaining and maintaining wildlife management objectives, the commission may designate funds not to exceed four percent (4%) of all license fees under this title annually plus any amount collected under W.S. 23-2-101(p) to be used for management and control of predator populations.

23-2-101. Fees; restrictions; nonresident application fee; nonresident licenses; verification of residency required.

(p) In addition to other fees under this section, persons applying for a license or tag under this section may pay a voluntary fee of two dollars (\$2.00) or any greater amount to fund predator control activities in the state. The department shall provide information on the license or tag application form that the applicant may pay the fee under this subsection. Any voluntary fees collected pursuant to this subsection shall be deposited in a separate account within the game and fish fund and shall only be expended as determined by the commission for management and control of predator populations and depredating animals. The commission may consider projects that mitigate damage caused to livestock, wildlife and crops by predatory animals, predacious birds and depredating animals or for the protection of human health and safety and may also use these funds for the purposes specified in W.S. 11-6-307 and 23-1-901. As used in this subsection, "depredating animal" means any trophy game animal or furbearing animal that causes damage.

Section 2. W.S. 11-6-305(a) and (b) is repealed.

Section 3. This act is effective January 1, 2021.

Approved March 10, 2020.
