Secretary of State

Dear Mrs. Thompson:

Our office has been in communication with Linda Dickens of your office this past week concerning the filing of applications for registration of tradenames and trademarks or service marks for Wyoming Bancorporation and its member banks.

In regard to the registration of tradenames for banks, we have been informed that the Secretary of State does not register bank names as this is a responsibility of the State Bank Examiner. For our records, we would appreciate verification of this policy.

In regard to the registration of a trademark or service mark, please find enclosed the applications signed on behalf of Wyoming Bancorporation to register its trade or service mark, and the trademark or service mark for the First Wyoming Banks. Two separate checks in the amount of \$10 each are enclosed for the filing fees.

When I checked with Mrs. Dickens yesterday in regard to the filing of these applications for trade or service marks, she informed me that there was some question as to whether the applications would be approved. She was concerned that the logotype would not qualify as a "trademark" or "service mark". Wyoming Statute 40-7.1 defines trademark as "...any word, name, symbol, or device or any combination thereof...." Wyoming Statute 40-7.1 defines service mark as "...a mark used in the sale or advertising of services to identify the services of one person and distinguish them from the services of others." Wyoming Statute 40-7.2, which provides an enumeration of those marks which cannot be registered, does not apply to these applications. We respectfully

Mrs. Thyra Thompson

2.

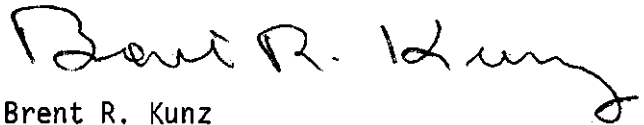

November 19, 1976

submit that the proposed applications qualify as trade or service marks which are eligible for registration.

If you require additional information, please do not hesitate to contact us. Thank you for your cooperation.

Sincerely,

HATHAWAY, SPEIGHT AND KUNZ

The trademark or service mark will be the words, "First Wyoming Bank", followed by a "dash" and the name of the city in which the bank is located. The left line of the letter "W" will be distinctive in that it will extend upwards once again the original length of the line on the same plane. The typestyle of the words will be "folio medium" and the corporate colors, when used, will be white and "Madison Orange" (PMS #165) and may be used in any combination (orange on white or white on orange).

The words, "First Wyoming Bank", may be used in either a straight horizontal line or "stacked" vertically, with the word "Wyoming" immediately above the word "Bank" and the word "First" immediately above the word "Wyoming", all words being left justified.

The initials "FWB", when used, will be the same typestyle as described above and contain the same distinctive letter "W".
