14 for service after June 30, 1975, payable to each retired
15 member, retired survivor or beneficiary receiving an
16 annual allowance, shall be an amount equal to two percent
17 (2%) of the average salary for the highest three (3) con-
18 tinuous years of covered service multiplied by the years
19 of covered service. The allowance for service after June
20 30, 1975, shall not be less than if it is determined in
21 the same way as for service before July 1, 1975, except
22 that the increase of twenty percent (20%) provided for
23 above shall not apply to service after June 30, 1975. The
24 allowance for service after June 30, 1975, shall not be
25 less than if it is determined in the same way as for

1 service before July 1, 1975. The board is also authorized
2 to permit law enforcement members to retire at age fifty

5 standing the provisions of W.S. 9-304 9-5-211 and 9-305
6 9-5-212, the board may require a higher employee and
7 employer matching contribution rate for law enforcement
8 members than for other system members. However, if a
9 higher rate is assessed against law enforcement members,
10 it shall be based on the monthly allowance paid and shall
11 be actuarially determined.

12 Section 2. One million three hundred forty-three
13 thousand nine hundred sixteen dollars (\$1,343,916.00) is
14 appropriated from the general fund for the purposes of
15 this act.

16 Section 3. Any unused appropriation shall revert to
17 the state general fund. If no subsequent appropriation is
18 made to continue the provisions of this act, then the
19 state retirement board may revert benefits to those bene-
20 fits in effect prior to July 1, 1978.

21 Section 4. If any provision of this act or its
22 application to any person or circumstance is held invalid,
23 the invalidity does not affect other provisions or appli-

1 cations of the act which can be given effect without the
2 invalid provision or application, and to this end the
3 provisions of this act are severable.

4 Section 5. This act is effective July 1, 1978.
